Sir,

Sub: Industries - Sericulture - Silk Filatures at Amalgamation.

Ref: G.O.No.2310,Development dated 14th June 1946.

In G.Os.No.2306,Development dated 14.6.46 and No.2037,Development dated 24th May 1946, Government sanctioned the continuance of the office and factory staff of the Government Silk Filatures and Kollegal Silk Filatures,Kollegal till issue of orders on the question of amalgamation of the two filatures. Government while sanctioning the proposals for amalgamation of the two filatures in G.O.No.2310,Development dated 14.6.46, have sanctioned the employment of the necessary temporary staff for the amalgamated concern excluding a portion of the staff in the two filatures which has to be retrenched. But, it has not been possible to retrench this surplus staff from the date of the G.O. viz. 14th June 1946. It will take sometime to do so for it is necessary to arrange to shift the stock of cocoons, silk, waste, raw materials and machinery etc. from the Kollegal Silk Filatures to the Govt.Silk Filatures. The entire staff of the Kollegal Silk Filatures and Government Silk Filatures has therefore to be continued till amalgamation of the two filatures actually takes place and the Government silk filatures starts working as a single unit.

P.T.O.

I request therefore that sanction of Government may be accorded for the continuance of the entire staff of the Govt.Silk Filatures and Kollegal Silk Filatures, Kollegal till the amalgamation is actually effected. The amalgamation will be carried out as soon as possible and the date of such amalgamation will be reported to Government later.

2. In para 4 of the G.O. cited, Government have ordered that the Manager, Kollegal Silk Filatures should be considered to have been in full additional charge of the post of General Manager, Govt.Silk Filatures from 1st January 1946 till the date of the G.O. viz. 14th June 1946 and that he will be allowed to draw a charge allowance of 1/5th of his substantive pay during that period. As this will not compensate Mr.Raman for the heavy work involved in running the two filatures, I request that he may be allowed to draw 1/5th of the pay of the post he is now holding, as charge allowance, from the very beginning till the date on which the amalgamation of the two filatures actually takes place.

Subject to orders, a draft order submitted for approval. ~~Immediately for acceptance.~~

Para/2 above: The present owner of the post of Business Manager, Kollegal Silk Factory, Kollegal is Mr R.A. Raman who is a permanent Junior Engineer of the Electricity Dept. He is now appointed to the post at Kollegal, he was on Rs. Electrical Engineer. His pay in the post he now holds is Rs 450/- in the scale of Rs 420-7-497. The remedy at 2 above, will have to be treated as a special case, in modification of the provisions of FR 49

Sri may see the case for accepmt of the change order.

At page 2 ¶ c.t. the D.I.&C. states that the additional 1/5 pay may be allowed from the very beginning. Does it mean that the additional 1/5 pay has to be given even for the period before 1.1.46.?

'A' above: Under orders from Govt Mr Roychand G.C. Manager, G.S.F. Kottegoda vacated his office on 31.12.45. The Furniture has been in the additional charge of Sri P.S. Raman only for 1.1.46. The claim for charge allowance referred to at 'Z' on p.2 c.f. is valid therefore for the period from 1.1.46 upto the date of giving effect to the orders of Amalgamation and not for

any period before 1.1.46. The D Ltr apparently means only 1-1-46 by the term from the very beginning of 1946 as distinguished from his recommendation for revised rate of charge allowance proposed at Z on p 2 above. No charge allowance is payable for any period prior to 1.1.46 also.

For orders as to approval of charge vide below.

Neither the D.O. nor the Dev. Note indicate a date by which the amalgamation of the subsidiaries will be completed. In the absence of specific date since two subsidiaries still continue a separate existence, indefinitely - involving unnecessary expenditure to Govt. It is reasonable to assume that the orders in D.O. No. 2310 Dev. dt. 16.6.1946 will be (2) carried out immediately. The proposal allowing margin for the teachers mentioned in (2) above

it seems that 15.8.1946 may be set as the latest date by which the amalgamation should be complete and the entire surplus staff removed. Subject to this suggestion the draft order may be accepted.

We cannot bind the Govt. by 15.8.46 — the last date suggested by Finance for the amalgamation. There may be practical difficulties. Some additional time should be given & I have therefore added the words "or such later date as may be fixed by Govt." after 15.8.46 in the last sentence of paragraph 7 of the draft.
